We will be learning about peaceful and inclusive communities

Welcome to our class newsletter for this half term. We are excited to share with you our learning journey.

In English...

Using our CLPE class text, we will use inferences to help us understand the characters and their actions in the story. We will be focusing on the use of adverb and adverbial phrases to improve our sentence structures.

In Computing...

We are programming a turtle to move in different directions. We will then learn how to use loops and to control the movements.

In Maths...

We are looking at multiplication and division skills and how to solve problem using these operations. We will also recap time and how to convert from 12 to 24 hour clock.

In Science...

We will look at the human digestive system, how to look after our teeth and the food chain.

In French...

We will be learning how to ask the date, the days of the week, the months of the year and our numbers up to 31.

In Online Safety...

We will be continuing to understand online bullying and thinking about how what we put online can affect others.

In Geography...

We will be looking at why there are different time zones, how to use a map to locate cities and use the compass to navigate direction.

In History...

We will continue to learn about Ancient Civilisations; focusing on the Ancient Indus Valley and the Shang Dynasty

In DT...

Using CAD to create a bird's eye view of a room.

In RE...

We will be learning about the Incarnation the birth of Jesus and the Gospels

In Music...

We will learn to perform as part of an ensemble and singing whilst following changes in speed and dynamics

In PE...

We will be playing football and creating a dance using motifs, cannons and unisons.

In PSHE ...

We will be looking at our emotions and expanding our vocabulary around emotions and looking at strategies to help with them.
